

Dear Vendor-Friend,

I hope this finds you safe and in good health. As always, our vendors play a very important part in the success of the fair.

Booths are open August 26 – 28, 2021.

Print the **attached Vendor Information**. Keep this information for your records. **Print & Return the completed Application with payment** as soon as possible to get the best location.

We take pride in working with all vendors because you are offering something unique to our fair. We will advertise your business on Face Book & Instagram if you send in early. All booths will be reserved on **first paid bases**. So don't delay, reserve your booth today!

The celebration is on for the 105th Annual Pontotoc County Free Fair in Ada, OK on **August 26-28, 2021**. Some of the special things we do to help our fair to be successful are: Publish a collectible fair book that has the schedules, contests, events, and rules for all exhibits, livestock shows, horse show, free concerts, with business advertisements. These very nice books & posters are distributed July through September.

8K Notes are sent to all ages of students in Pontotoc County & Surrounding counties. Our FREE Contests, Concerts & Entertainment help bring spectators to the stages from out of county.

The Heart of America Carnival brings people of all ages & interests from all over Oklahoma since there are very few county fairs that have such nice carnivals with lots of rides.

We will continue with past contests, as well as new contests & ideas, that the Fair Board, Fair Director, Youth Board, Superintendents, OSU Extension Educators, FFA Advisors, 4-H Leaders can do to make this the BEST COUNTY FAIR! We look forward to hearing from you soon! Please feel free to call if you have questions!

Mail Application to: Pontotoc County Free Fair
1700 N Broadway Ada, Ok 74820
Fair Director: Shelley Scifres
580/399-8661
