

Information for Displays of Cars, Trucks, Tractors, ATV & etc.

Call 399-8661 to set your day & time to bring them up to the Agri-Plex.

The days to bring them up will be

Thursday, August 24th time: 11am - 4 pm

You do not have to be at your display booth the whole time like other vendors. The Pontotoc County Sherriff & hired Night Security help watch the Agri-Plex at night.

The first option is on the **grass between the Convention Center & Big Red Barn**. This is close to the stage, the craft & business booths are on the other side of the sidewalk & front parking lot. No electricity available & the ground is not perfectly flat & even, but is good for atv, mowers, small tractors, small car & etc. This is 12 – 15 wide by 30 ft and 30 ft long.

Inside the Livestock Barn - we are not having a petting zoo & farmer for the day in this barn. This is a new place to use instead of between the livestock barn & chicken/rabbit barn since it will be for checking for health papers, unloading/loading livestock.

The Big Red Barn Arena is available because we are having a corn hole contest Friday & Saturday, the Antique Tractor show, FFA Shop exhibits, booths & livestock show ring. There should be traffic because of the animals coming in on Thursday and staying until Saturday after they show.

This will be on a first paid first reserved basis.
Mail Application with Payment to:

Pontotoc County Free Fair
1700 N. Broadway
Ada, Oklahoma 74820
