The celebration for the 109th Annual Pontotoc County Free Fair in Ada, OK is August 22 – 26, 2023 from exhibit entries, judging to Horse & Livestock Shows and so much more is squeezed in these days. But the Booths are only open 3 days along with the carnival.

To Advertise about our fair 10K Notes are delivered to all schools & to all ages of students in Pontotoc County & Surrounding Counties.

Our FREE Contests, Entertainment & Vendors help bring the spectators from all over the state. Other special things we do to help our fair to be successful are: Publish a collectible fair book that has the schedules, contests, events, and rules for all exhibits, livestock shows, horse show, free concerts, with business advertisements. These very nice books & fair fliers are distributed July through September.

The Heart of America Carnival brings people from all over Oklahoma since there are very few county fairs that have such a nice carnival with lots of rides for all ages. We will continue with past contests, as well as new contests (Corn Hole & Tractor Show) & ideas, that the Fair Board, OSU Extension Educators, Fair Director, Fair Youth Board, Superintendents, FFA Advisors, 4-H Leaders can do to make this the **BEST & BIGGEST COUNTY FAIR!**

We look forward to hearing from you soon! Please feel free to call if you have questions!
