Open/Viewing Hours

Thurs. Aug. 29, 3 pm - 9 pm **Fri. Aug. 30**, 9 am – 9 pm **Sat. Aug. 31**, 9 am – 7 pm

You do not have to be at your display booth the whole time like other vendors. But you will need to be set up during the whole fair because you will not be able to load out. I will advertise your Business on social media where you will be set up at the fair, if you send in early. The Pontotoc County Sherriff & Night Security watch the Agri-Plex at night.

The first option is on the **grass between the Convention Center & Big Red Barn.** This is close to the stage, the craft & business booths are on the other side of the sidewalk & front parking lot. No electricity available & the ground is not perfectly flat & even, but is good for atv, mowers, small tractors, small car & etc. This is 12 – 15 wide by 30 ft. long.

Breezeway of the Big Red Barn on the north side has dim lighting. Smaller vehicles will enter at the Far East end and drive to the west end. People will have to walk right by them as they walk to & from the barns. Some people will be coming in/out of the Big Red Barn/Show Arena to the convention center, food trucks & outdoor stage.

* **Inside the Livestock Barn** – This is great for the big tractors & implements, anyone that wants to be down at the Livestock Barns. It is in a small arena that is in the middle of all the stalls. No Animals Allowed. We have the Farmer for the Day with ALL of the school kid tours coming through on Friday morning. The Public walk thru looking at all of the animals. Livestock will move in Thursday afternoon and stay until Saturday. Concession & Restrooms are in this building.

Shed of the Big Red Barn south side in pens, view of people going to the carnival.
