

Dear Vendor-Friend,

I hope this finds you safe and in good health. As always, our vendors play a very important part in the success of the fair. If you want to reserve a good location or the location you had last year, you can send in half of your booth space now and send in the other half before July 31, 2020 with the right to get a refund if you cancel by July 31, 2020. If we have to cancel the fair we will refund your money. Our Fair Board meeting is the first Tuesday of each month.

**Booths are open August 27 – 29, 2020.**

Open and print the attached Vendor Application & Information. Keep the information for your records. **Return the completed application with payment** as soon as possible to get the best location. We take pride in working with all vendors because you are offering something unique to our fair. We have gone down on the price of the booths in the northwest/Crafters/Artist Room. We will advertise your business on fb if you send in early. All booths will be reserved on **first paid bases**. So don't delay, reserve your booth today!

The celebration is on for the 104<sup>th</sup> Annual Pontotoc County Free Fair in Ada, OK on **August 27- 29, 2020**. Some of the special things we do to help our fair to be successful are: Publish a collectible fair book that has the schedules, contests, events, and rules for all exhibits, livestock & horse show, free concerts, business advertisements that are distributed July through September. No entry fees, free parking, no gate fees. 8K Notes are sent to all ages of students in Pontotoc County & surrounding counties. Our FREE Contests, Concerts & Entertainment help bring spectators to the stages from out of county. Since several county fairs do not have big carnival rides & midway games anymore, **The Heart of America Carnival** brings people of all ages & interests from all over Oklahoma. We will continue with past contests, as well as new contests & ideas, that the Fair Board, Fair Committee, Director, Youth Board, Superintendents, County Extension Educators, FFA Advisors, 4-H Leaders can do to make this the BEST COUNTY FAIR! We look forward to hearing from you soon! Please feel free to call if you have questions!
